What happens next?

Your completed form should be posted to The MSK Referral Centre, First Floor, Ward 6, Woodend Hospital, Eday Road, Aberdeen, AB15 6XS or via e-mail at gram.mskreferralcentre@nhs.scot

What should I do if my problem gets worse while I am waiting for an appointment?

If you feel your problem is worsening and you have concerns about your problem then you should contact your GP or NHS 24 (08454 24 24 24). **You should do this urgently if you have recently, or suddenly, developed**

- Difficulty passing urine or controlling bladder/bowels
- Numbness or tingling around your back passage or genitals
- Numbness, pins and needles or weakness in both legs

Please note that if you have a continence problem and have any bleeding from either your front or back passages then please see your GP first.

How are physiotherapy services running during COVID?

At present the majority of our initial and follow up consultations are being undertaken by telephone or video consultation. This is likely to be the case for some time. If you are asked to attend an appointment please note that we are adhering to social distancing rules, hand hygiene and infection control procedures. Please do not attend the department if you are feeling unwell or are experiencing any symptoms of COVID-19.

How long will I have to wait before I am offered an appointment?

A physiotherapist will look at your form and an appointment will be planned based on the information you have supplied. Depending on the nature of your problem you may be placed on a waiting list for physiotherapy. The waiting time for physiotherapy varies depending on the demands on the service.

How will I be contacted?

You will either be sent a letter asking you to contact the department to arrange an appointment or someone may telephone you to arrange it. Please ensure all your contact details have been included on this form **including a day-time telephone number**. We may leave a message on your telephone, please tick the box if you **do not** want us to leave a message .

Will the information I have provided be shared with anyone else?

Sometimes we may need to contact your GP if we require further information to help us decide if physiotherapy is appropriate for you. If you are seen by the physiotherapist your GP will be informed of this.

Can the physiotherapist see me at home?

If you are unable to attend out-patients for any medical reason you can be referred by your GP to the Domicillary services.
